

330 E Columbia St
New Westminster, BC V3L 3W7

Dear _____,

This holiday season, a gift towards

has been made in your honour!

This gift is providing critical care to BC's most seriously ill and injured patients at Royal Columbian Hospital.

Generous gifts like these allow the hospital to purchase new and innovative technology that catch diseases earlier, shrink wait times, and most importantly, save lives.

Thank you for helping make this holiday season mean something more in our community.

Love,
