PRESENTING SPONSOR

2025 MAKING THE CUT CHARITY GOLF CLASSIC

In 2013, a passionate Royal Columbian anesthesiologist and team of hospital staff wanted to make a difference in their workplace and community. They had a vision that they could make a significant impact on the lives of the people they cared for daily, and have some fun while doing it.

Thus, Making the Cut Charity Golf Classic was created to support Royal Columbian Hospital Foundation and, specifically, our Trauma and Surgical Services. In 2024, we raised \$80,000 bringing the overall total raised to over \$620,000 in support of the Operating Room and Trauma programs at Royal Columbian Hospital. With the funds raised, we will be able to purchase new equipment for these key areas of the hospital and support our most vulnerable patients.

Thank you for generously considering supporting us this year.

Dr Feisal Mohamedali MD, DRCPC
Regional Medical Director Anesthesiology
Chair of the Making the Cut Committee

GOLF TOURNAMENT DETAILS

DATE

Saturday, June 28, 2025

LOCATION

Swanest Bay Resort and Country Club
16651 Rannie Rd, Pitt Meadows, BC V3Y 1Z1

Want to connect with hospital staff while appreciating them for all they do each and every day? This year, you can sponsor deserving Royal Columbian Hospital staff to enjoy the day with you and your team! Simply indicate how many staff you'd like to sponsor and we will match you up.

**Category exclusivity available. Contact Stephanie Androsoff, Senior Officer, Events & Sponsorships at (236) 332-0292 or email stephanie.androsoff@fraserhealth.ca for more details.

OUR IMPACT

Every year, donations to this event go towards supplying Royal Columbian Hospital with equipment needed to better the treatment of those who need help. Below are a list of some of the items the Making The Cut Committee has purchased with donations from our sponsors and golfers.

Med Fusion Pumps ~ used to infuse anesthetics / medications

Glidescope ~ used to manage difficult airways in critically ill patients

Belmont Rapid Infusers ~ for blood transfusion in trauma and surgical patients

LUCAS 2 Chest Compression System used to provide CPR

A baby warmer for newborn infants born by cesarean section in the operating room

Laparoscopic Surgical Equipment surgical equipment that allows for minimally invasive surgery through small incisions using a camera.

Tourniquet Machine used for bloodless surgeries.

TOURNAMENT DEMOGRAPHICS

60% Male
40% Female

AGES

Our Golfers and Volunteers are of all ages.

PROFESSION

40% of those that golf and participate in the tournament come from the health care sector (Doctors, Nurses, Specialists, etc)

The other 60% of our golfers and those that participate come from a wide array of working professionals from fields such as Engineering, Media + Entertainment, and Finance.
